

Interlibrary Loan Standards For Public and Non-Public Libraries

The following two pages contain the Interlibrary Loan (ILL) claim forms for Public (CLSA-31) and Non-Public (CLSA-31a) Libraries. These forms are not intended for use as a way of filing for reimbursement electronically. They are available only as printable documents to be completed and mailed or faxed to the State Library Budget Office (see Deadline below).

Complete each form by filling in the Quarterly Totals for items loaned.

The following **Terms and Definitions** are found in California Library Services Act Interlibrary Loan Standards, 1978, incorporated by reference following Education Code Section 20265(f):

1. Interlibrary Loan - The loan of library materials of any type which is collected by a library or the provision of a copy in lieu of loan of a library material from an eligible, participating lending library to any eligible borrowing library as defined in Education Code Sections 18744, 18765 and 18844(a).
 - a. **Limitations** - This definition places no limits on the type of material eligible for reimbursement. Any type of material a library will loan that will fulfill a user's request is eligible.
 - b. **Copies** - A photocopy, microcopy, telefacsimile copy, or tape copy sent as a response to a specific request for an item is eligible for reimbursement. In addition, a copy which is sent as a response to a reference request in lieu of sending the journal, book, or master tape is also eligible for reimbursement.
 - c. **Pamphlets** - Pamphlets and other ephemera which are generally not fully cataloged nor individually charged out and controlled should be reimbursed, but the reimbursable transaction equals one charge out function, no matter how many individual items are included in the single charge. (i.e. if 25 pamphlets on sheep raising are pulled from a subject file and charged as one check out transaction, that constitutes one reimbursable transaction.) Free information pamphlets or brochures sent as gifts with no expectation of return are not eligible for reimbursement.
 - d. **System Collections** - Items purchased with System funds are eligible for reimbursement when they are loaned from the library housing the item to any eligible borrowing library as defined in Ed. Code, Chapter 1255, Sections 18744 and 18765. If there is any question as to what library should house any System-purchased item, the vote of the System Administrative Council shall determine the disposition.
 - e. **Film Circuits** - An item in a film circuit packet which is removed from the packet and loaned to another library is eligible for reimbursement. The transfer of the film circuit packet from one library on the circuit to the next is not an eligible transaction.
2. "Loan" - material (as defined above) sent by your library to another library.
3. "Borrow" - material (as defined above) requested and received by your library from another library.
4. "Transaction" - one "loan" or one "borrow". Each eligible loan transaction will be reimbursed as one logical transaction (i.e. one check out transaction).

Deadline: Claim forms must be in the Budget Office no later than the 15th of the month following the reporting period. Forms can be mailed to the California State Library, Budget Office, PO Box 942837, Sacramento, California 94237-0001; or faxed to the Budget Office at (916) 445-9285.
